ROYAL WILTON RUGS

IF TWO RUGS LOOK ALIKE it does not follow that there will be any resemblance after six months' use.

One may be of a fine grade of wool and the dyes so cunningly compounded as to almost entirely resist the action of the light.

The other rug may be only an unsuccessful attempt by another manufacturer to imitate the first one.

Ours belong to the first class. They are from manufacturers whose product is recognized by the trade everywhere as THE standard. We have the exclusive sale of these lines here.

BOILER MAKERS READY FOR ANNUAL MEETING

Over 200 Master Workmen Will Gather in Masonic Hall This Morning.

ADDRESSES TO BE MADE

Over two hundred members of the International Railway Master Boiler Makers' Association are in the city, preparatory to the opening of their third annual convention, at 10 o'clock this morning, in Masonic Temple. Aside from the opening exercises and addresses, all other sessions of the convention will be held in the Board of Trade assembly room. The sessions are open to those who care to attend, as none of the proceedings of the order are secret. Probably the only issue of the convention which will approach a contest is the choosing of a convention city for next year. Several cities are sending delegates with instructions to make a fight, but present prospects point to Cincinnati. The greater part of the convention will be devoted to the discussion of scientific topics.

BOARD OF WORKS ASKS FOR APPROPRIATIONS

Seek Funds to Repair Bridges and Do Needed Public Work—Other Business.

Appropriations for improvements about the city were asked of the city by the Board of Public Works at yesterday's meeting. An appropriation of \$50,000 is asked for the improvement of city bridges. The sum includes the cost of several new bridges at points already selected. The board also asked for an appropriation of \$19,000 to be used in cleaning Pogue's run and sewerage through the main part of the city.

Other appropriations are asked for the improvement of streets to the sum of \$4,000; for the sewer fund, \$5,000, and for levee repairs, \$3,000. The board states that an extra \$10,000 is necessary for street improvements.

MASON DEPLORES STAND COUNTRY HAS TAKEN

Says Posters Hold Out an Attraction for Life in the Navy That Is Unreal.

The stand that the United States has taken in the development of militarism and the enlargement of her naval fleet was deplored by Augustus L. Mason in a paper on "Peace and War" read before the Men's Club of the Roberts Park Church last night. Mr. Mason thought that the large posters and advertisements placed in conspicuous places and holding out attractive inducements for the naval life were in a great measure false and misrepresenting. He held that the country came not only from a military and naval experience but that he was a hero who proved himself to be the true man.

WARMER WEATHER IS PROMISED FOR TO-DAY

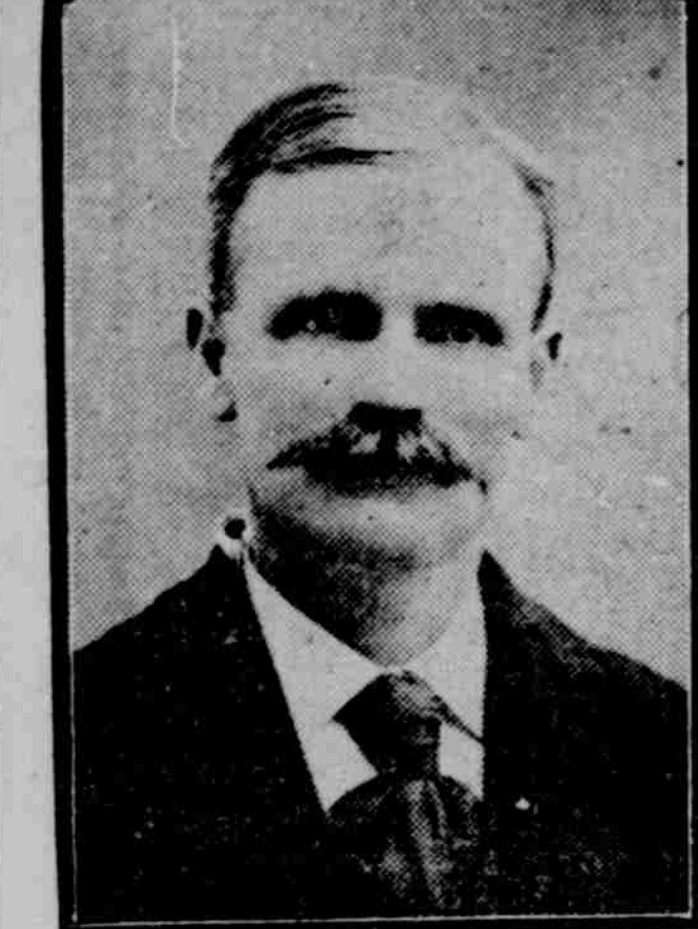

Heavy Frost of Yesterday Did No Damage—Temperature Was Low Over State.

Although there was heavy frost yesterday morning in many parts of Indiana, the weather bureau had no reports of damage done up to 9 o'clock last night. The temperature dropped as low as 29 degrees at Marion and 31 degrees at Logansport. The minimum temperature in Indianapolis, ending at 7 o'clock yesterday morning, was 28 degrees, and it is thought that the light frost which accompanied this temperature did no harm.

SOCIALIST LABOR PARTY NOMINATES

At a state convention held in this city Sunday, the Socialist Labor Party of Indiana nominated the following men to head its ticket:

For Governor, E. J. Dillon, of Marion; lieutenant governor, Ernest Viewsh, of Bridgeport; electors at large, Chris Schand, of Evansville, and O. P. Stoner, of Clay City.

H. DENZLER,
Chairman Local Committee on Arrangements for Boiler Makers' Meeting.

ELEVATED TRACKS AT TENTH STREET WANTED

Ordinance Presented by Councilman Fishback—Moriarty Fails to See a Joke.

STUDENTS ARE VISITORS

Councilman Frank S. Fishback introduced an ordinance last night at the meeting of the City Council, providing for the elimination of the grade crossings by the elevation of the railroad tracks at Massachusetts avenue and East Tenth street. At this point the tracks of the Cleveland, Cincinnati, Chicago & St. Louis Railroad Company, the Lake Erie & Western and the Chicago, Indianapolis & Louisville Railroads cross the intersection of the streets. The ordinance sets forth the need of elevated tracks, and fixes the violation of the ordinance at \$100, each day constituting a separate offense. The ordinance was referred to the committee on railroads, which comprises Frederick W. Epper, Albert E. Cotter, Otto Hofmann, James B. Murray and John Wolfert.

AID IS ASKED FOR FAMILY IN DESPERATE STRAITS

Father Is Ill and Unable to Work and Family Is in Danger of Eviction from Home.

To aid a family in desperate straits, Secretary S. S. Groat, of the Charity Organization Society, appeals to the public for contributions. He wishes to raise the sum of \$25 to-day in order that the family may not be evicted from the little house it now occupies.

The mother has managed by hard work to provide food for herself, children and the husband, who is ill and in a physician's care. For eight months the father has been unable to work, and during this time the mother has had the burden of the family's support. It is expected that the father will be able to work before long and the money will be used to pay the house rent until that time. Mr. Groat can be addressed at 306 North Delaware street.

INDIANA BOARD AT CHICAGO MEETING

The third annual spring meeting of the Confederation of the Reciprocity Examining and Licensing Boards of several States will meet in Chicago next Tuesday. Members of the Indiana Board of Medical Examination and Registration, which is in the confederation, will be in attendance. Dr. W. A. Sturgeon, of the Indiana board, is president of the organization.

The meeting was an all-day session, during which the famous Chicago surgeon, Dr. Nicholas Senn, will deliver an address. Pennsylvania Official Visits State.

N. C. Schaeffer, state superintendent of public instruction of Pennsylvania, was the guest of Superintendent Fasset A. Cotton for a short time yesterday afternoon. Professor Schaeffer is in Indiana on a lecture tour for the purpose of visiting the State Normal School at Terre Haute, to which he was appointed a regular visitor some time ago. Last night he delivered a lecture at Whiteland, and Friday night he will address the graduating class at Franklin.

OBJECTIONS RESPECTED BY EX-GOVERNOR TAYLOR

Kentuckian Withdraws Acceptance of Invitation to Speak at Kokomo Memorial Day.

W. S. Taylor, former Governor of Kentucky, has withdrawn his acceptance of the invitation to deliver the Memorial day address at Kokomo because of objections raised by some people. Mr. Taylor felt that in view of the objections it was his duty to withdraw in order that the day's observance might not be marred in any way.

In a letter, written yesterday, to Captain Milton Garrison, who extended the invitation, Mr. Taylor inclosed a copy of a newspaper setting forth the objections, and said:

DROPS DEAD WHILE FEEDING CHICKENS

Aged Man Suffers Stroke of Apoplexy and Death Comes Almost Instantly.

Peter Cuthshaw, 240 Lenn avenue, seventy-six years old, dropped dead yesterday afternoon while in the yard at the rear of his home, while feeding his chickens. At the time of his death, his wife was with him. Mrs. Cuthshaw thought that her husband fainted and worked with him for several minutes before it was discovered that apoplexy had caused almost instant death.

Light on the Clothing Question

The origin of ordinary ready-made clothing is purposely enveloped in darkness. Shoddy goods and sweat-shop labor are skeletons that must be concealed from public gaze. Not so with the worthy Bliss-Swain Suits. Nothing about them to be ashamed of. Everything to be proud of. All-wool materials, thoroughly shrunk before cutting, made by skilled men tailors, in well-ventilated workshops. No disease germs. As for style, fit and elegance, you can judge that for yourself.
